

YOST VISES

Why pay more?

In these tough economic times it only makes sense to save money where you can. But saving money on something doesn't mean that you will have to sacrifice quality. Why not get the highest quality product at a discounted price? Yost Vises offers you that option.

Yost Vises has been around since 1908. With over 100 years of manufacturing experience, Yost continues to provide the highest quality vises for the most economical prices. As a family owned company, we take pride in every aspect of our business. This means that you will not only get the best products available, you will get the best service as well.

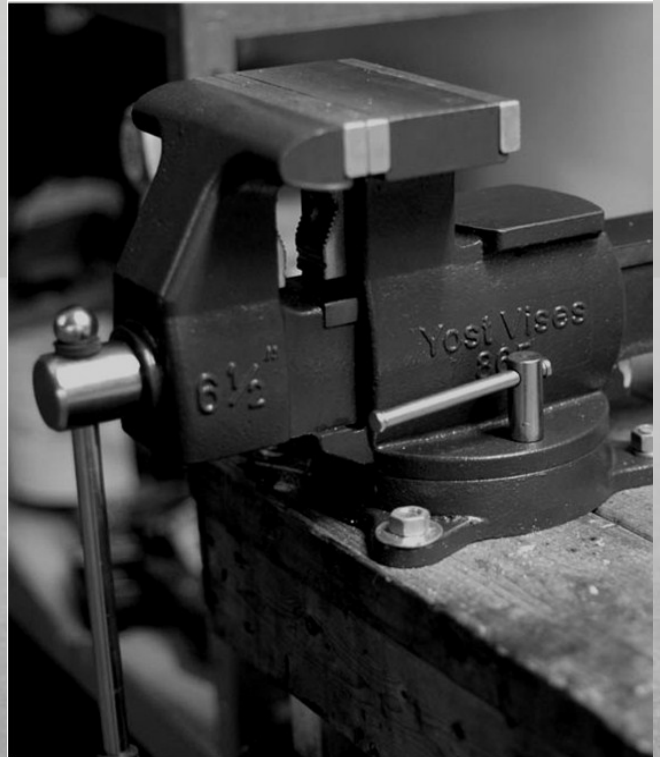

Our commitment to quality and service is demonstrated by the high ratings for our products on a variety of different online stores. The 4.8 star rating that we have on Amazon.com continues to validate that we serve the best product to the customer.

Yost is also committed to providing American made products to the American worker. Yost has the most extensive lineup of American Made vises available. Yost prides itself on being able to support the American worker with high quality American Made products.

Yost's pricing is the most competitive on the market. With our long history of producing vises we have been able to minimize waste in the manufacturing process, helping to limit the material cost of the products. These savings are then passed on to you.

Please take a look at some of the following comparison charts to see how we match up to the competition. If you have any questions, please call in and one of our sales representatives will be able to assist you.

YOST VISES

Why pay more?

Sacrificing quality for price is a mistake no mechanic wants to make, especially when it comes to tools. Vises are no exception to this rule. The highest quality vise that you can purchase is one that is American Made. To make shopping around for the best vise easier for you, we made a comparison chart of our vises versus the competition¹.

Model	Jaw Width (in.)	Maximum Opening (in.)	Throat Depth (in.)	Pipe Jaw Capacity (in.)	Ship Weight	List Price ² (Sale Price)
